

? Welcome to Your BloomPlansCo Daily Planner

— Notion Edition —

Thank you so much for choosing the BloomPlansCo Daily Planner. This little guide will get your planner into your own Notion workspace in under a minute — and once it's there, it's yours to use forever, customize freely, and reuse week after week.

INSTALL IN 3 STEPS

1. Click the link below.
2. Sign in to your Notion account. (If you don't have one yet, create a free account at notion.so — it takes 30 seconds.)
3. On the planner page, click the "Duplicate" button in the top-right corner. Your own copy is created instantly inside your workspace.

WHAT'S INSIDE

? Daily Page

Your full day at a glance: top 3 priorities, 24-hour schedule, to-do list, daily goals, habit tracker, water intake, mood & energy, self-care, notes, and gratitude. Duplicate this page each day.

? Weekly Summary

A bird's-eye view of your week — habits, priorities, mood/energy/sleep, and wins & improvements.

? Monthly Dashboard

Big-picture goals, your theme & affirmation, weekly score grid, reflection prompts, and intentions for the month ahead.

HOW TO USE IT EACH DAY

Open the page titled "Daily Page — duplicate me each day". Click the "..." menu at the top-right and choose Duplicate. Rename your copy to today's date (e.g., "June 1, 2026") and start filling it in. When you're done, the original stays untouched and ready for tomorrow.

QUESTIONS?

Message me on Etsy — I'd love to hear from you and help if anything's unclear.

With gratitude,
